HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3	<i>Code of</i>	10-	4	.115
Department	<i>State</i>	Agency	General area	Specific area
	<i>Regulations</i>	division	regulated	regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

SECONDARY EDUCATION
Division 30—Division of Financial and Administrative
Services
Chapter 4—General Administration**

5 CSR 30-4.030 Audit Policy and Requirements. The State Board of Education is amending the purpose, sections (1), (2), (4), (5), and (6), and adding sections (7) and (8).

PURPOSE: The purpose of this proposed amendment is providing clarity to the rule, updating terminology, incorporating federal references into the regulation, and changing the responsible section for reviewing audits within the Department of Elementary and Secondary Education (department). This amendment does not make substantive changes to Local Education Agencies' (LEAs') requirements.

PURPOSE: This rule establishes a comprehensive policy for public [school district and charter school audits] **local education agencies (LEAs)**. (1) For the purpose of this rule, unless the context clearly requires otherwise, the following terms shall mean:

If a disclaimer of opinion is rendered on the subsequent audit, the audit shall be deemed unacceptable and all funds disbursed by the department to the *[school]* LEA may be withheld until such time as the *[school]* LEA demonstrates to the department that the situation resulting in the disclaimer of opinion has been corrected by the *[school]* LEA.

3. Audit reports containing an adverse opinion *[will be]* **are** evaluated by department staff. Depending on the reasons for the adverse opinion, the department may require the *[school]* LEA to provide evidence that corrective action has been or is being taken to eliminate the adverse opinion from future reports. If corrective action is not taken as deemed necessary by the department and an adverse opinion is rendered on the subsequent audit, the audit shall be deemed unacceptable and all funds disbursed by the department

to the [school] LEA may be withheld until such time as the [district] LEA demonstrates to the department that the situation resulting in the adverse opinion has been corrected by the [school] LEA.

4. *[Audits will be reviewed on a rotating basis]* Department staff will review a sample of audits via a formal desk review for adherence to the appropriate audit requirements (*The Single Audit Act Amendments of 1996*; OMB *Uniform Grant Guidance* 2 CFR Part 200; *Government Auditing Standards*, as well as the state requirements) included or referenced in this rule.

A. Any deficiencies with the audit, during this phase, [will be] are communicated to [school] LEA officials and/or the independent auditor depending on the severity and type of deficiency noted. Resolution of desk review items should occur within the time frame provided by the department in the written communication with the [school] LEA or the independent auditor. Failure to address noted deficiencies may result in the withholding of funds disbursed by the department to the [school] LEA. Severe deficiencies and/or inaction by the [school's] LEA's independent auditor may result in the reporting of the independent auditor to the Missouri State Board of Accountancy.

B. Review of the independent auditor's working papers may be conducted by the department as deemed appropriate to ensure appropriate work has been performed to support statements, opinions, findings, etc. of the independent auditor. Auditors may be requested to provide their most recent peer review report to the department.

5. For audits conducted in accordance with OMB *Uniform Grant Guidance* 2 CFR Part 200, federal findings and questioned costs and the related Corrective Action Plan [will be] are circulated to the appropriate department program sections for follow-up with the [school] LEA.

A. The program sections, both federal and state, are responsible for addressing relevant portions of the audit including follow-up with [school] LEA officials and their independent auditors to resolve any questions, discrepancies, or audit findings.

B. The appropriate program section shall issue a written management decision to the [school] LEA indicating approval/disapproval of the [school's] LEA's Corrective Action Plan. This must take place within six (6) months from the receipt of the audit.

C. When the program section review suggests questions or discloses discrepancies, the individual program section [will correspond] corresponds directly with the [school] LEA. This correspondence initiates a procedure for resolving program audit questions and discrepancies which is outlined below:

(I) Personnel of the various program sections [will] advise the [school] LEA officials of the findings and the nature of any discrepancy found in the audit report;

(II) Within the time frame provided by the department, [school] LEA officials [will be] are expected to respond with clarifying information and, as appropriate, corrected data or a corrected page of the audit report issued by the independent auditor who conducted the original audit. Department staff [will] assist in every reasonable way to help a [school] LEA and/or its independent auditor find a solution to audit problems; and

(III) If a discrepancy cannot be resolved, the department may recover or withhold applicable state or federal funds from the affected program.

(A) The product pricing information is to be made available to retailers five (5) days prior to the last day of the month and include the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(B) Supplemental pricing information is to be made available to retailers when a new product, new size, or new proof is added by a wholesaler during the month and not subject to change before the first of the month when regularly filed product pricing information is effective. A wholesaler is allowed to sell such items to retailers immediately upon production of such supplemental information. Supplemental pricing information includes the brand number, brand or trade name, capacity of individual packages, nature of contents, age and proof, the per bottle and per case price, the number of bottles contained in each case, and the size thereof.

(C) The wholesaler may sell at any price for any item as long as it is sold above their cost and they sell **all substantively identical products** at the same price to all retailers as indicated on their product pricing information.

(D) Close out items should be identified as such on the product pricing information that is made available to retailers at prices which may be below the wholesaler's costs for not less than six (6) consecutive months during which time the wholesaler may not purchase further inventory. The wholesaler should not use close out pricing as an inducement for retailers to purchase other intoxicating liquors.

[[3]](4) Discounts.

(A) The wholesaler may grant any discount up to one (1) per centum for quantity of **spirituous** liquor and wine and one (1) per centum for payment on or before a certain date.

(B) Quantity discounts. A quantity discount may be granted only for quantities of two (2) or more. If a price is listed for bottles only, then a quantity discount may be allowed on quantities of two (2) or more bottles. If a price is listed for both bottles and cases, then a quantity discount may be allowed only on quantities of two (2) or more unbroken cases. Quantity discounts may be graduated but not exceed the maximum one percent (1%).

(C) Discounts for time of payment. A discount for time of payment may be granted only for 1) payment for time of delivery, 2) payment on or before ten (10) days from the date of delivery, or 3) payment on or before fifteen (15) days from the date of delivery.

(D) The combination of discounts to be posted on the product pricing information are as follows: No discount, one percent (1%) for time of payment, one percent (1%) for quantity discounts, or one percent (1%) for time of payment and one percent (1%) for quantity.

(E) No person licensed to sell *[intoxicating]* **spirituous** liquor and wine at retail may accept any discount, rebate, free goods, allowances, or other inducement from any wholesalers except the discount for payment and quantity discount on or before a certain date.

[[4]](5) Case Size. For the purpose of this regulation, a case of *[intoxicating]* **spirituous** liquor or a case of wine is declared to be a cardboard, wooden, or other container, containing bottles of equal size filled with *[intoxicating]* **spirituous** liquor or wine of the same brand, age, and proof. The following table depicts the number of bottles considered to be a case of various bottle sizes for both the English and metric systems of measure, for pricing purposes:

Size of Bottle	Number of Bottles per Case
Less than <i>[6.3]</i> 8 oz.	48, 60, 96, 120, 144, 192 or 240
8 oz. up to, but not including, 10 oz.	48
10 oz. up to, but not including, 21 oz.	24
21 oz. up to, but not including, 43 oz.	12
43 oz. up to, but not including, 85 oz.	6
85 oz. up to, <i>[and]</i> but not including, 128 oz.	3, 4, <i>[or]</i> 6
128 oz. or more	2

(A) The Universal Coding of Alcoholic Beverages for Products by container size is to be used to code the bottle size. An item is declared to be either a bottle or a case of *[intoxicating]* **spirituous** liquor or wine scheduled as required;

(B) All sizes less than one-half (1/2) pint or eight (8) ounces under the English system of measure are defined as miniatures. Under the metric system of measure, miniatures are defined as fifty (50) milliliters (1.7 ounces) for spirituous liquors and one hundred (100) milliliters (3.4 ounces) for vinous liquors. Acceptable case sizes for miniatures are 240, 192, 144, 120, 96, 60, and 48 bottles. Miniatures may be sold in only one (1) case size for each bottle size sold; and

(C) If *[an intoxicating]* a **spirituous** liquor or wine product is

packaged by the manufacturer in a bottle quantity for that bottle size exceeding one (1) **bottle** but either more or less than the case quantity for the bottle size listed in section (4), a wholesaler may sell that package for a total price that reflects the same per bottle price as the per bottle price in the posted case price, if the wholesaler's invoice specifies the quantity in the package.

[[5]](6) The price to retailers, except retailers operating railroad cars, should include federal custom duties, internal revenue taxes, state excise tax, bottling and handling charges, and the cost of delivery to the retailer. The price to retailers operating railroad cars may be scheduled at a price "ex state excise tax," but shall include all other taxes and costs computed in prices to other retailers. No charge(s) may be made in addition to the price except that on past due accounts there may be imposed a finance (interest) charge in accord with that permitted by law. Provided, however, that if a wholesaler elects to impose a finance (interest) charge on past due account the charge shall be of uniform rate to all retailers and imposed on all retailers who have past due accounts.

[[6]](7) Delivery. Any brand of **spirituous** liquor or wine sold to a retailer is to be shipped to and received by the retailer at the price in effect for that calendar month in which the delivery occurs. Delayed shipment orders may be taken the last five (5) days of the month and delivered in the first five (5) days of the following month.

[[7]](8) Returns. Merchandise returns exceeding seven (7) days from delivery date may not be accepted for return from a retailer, except pursuant to a court order or with prior approval from the supervisor for any of the following reasons:

(A) The merchandise delivered does not conform to the merchandise ordered, whether an error was made at the time the order was taken or when the merchandise was delivered. Requests to return merchandise delivered in error should be submitted to the supervisor within thirty (30) days of the original invoice; or

(B) The retailer is abandoning the retail liquor business.

[[8]](9) Breakage, Samples, Expenses. As part of its regular books and records, each wholesaler licensed to sell *[intoxicating]* **spirituous** liquor or wine is required to keep a monthly record of all allowances for breakage containing the name, address, and license number of the customer, the amount of breakage allowance, and the date and number of the invoice of sale for which allowance is given. No allowance for breakage may be given unless the broken bottle is returned to the seller within seventy-two (72) hours after delivery. Broken bottles are to be kept available on the wholesaler's licensed premises for inspection by representatives of the supervisor and may not be removed from the licensed premises or destroyed *[only]* except with permission from the supervisor.

[[9]](10) Posting of Contraband Spirituous Liquors and Wines Purchased *[F]*from Supervisor. Bottles or cases of **spirituous** liquor or wine as described in section (4) which have been declared contraband and purchased by a wholesaler from the supervisor or the officer who seized the same under the provisions of sections 311.820 and 311.840, RSMo, or by a wholesaler from a wholesaler who so purchased the same, may be posted by the wholesaler at prices less than other **spirituous** liquors and wines of the same brand, age, and proof. When the **spirituous** liquors and wines are so posted, the pricing is to be accompanied by a writing on which the **spirituous** liquors and wines are exactly described and the quantity(ies) available for purchase set forth and upon sale of all or any part of the quantity a copy of the invoice shall be sent to the supervisor upon the day it is prepared. Only **spirituous** liquors and wines so purchased by a wholesaler may be sold at the posted prices.

[[10]](11) Discriminatory Agreements.

(A) No person holding a license as a manufacturer-solicitor or

outstate solicitor of spirituous liquor or wine may enter into or participate in any combination or agreement with any person holding a license as a wholesaler for the sale of spirituous liquor or wine which restrict the customers to whom the wholesaler may sell merchandise which s/he owns.

(B) No person holding a license as the wholesaler for the sale of spirituous liquor or wine may enter into or participate in any combination or agreement with any person holding a license as a manufacturer-solicitor or outstate solicitor of spirituous liquor or wine, which restricts the customers to whom the wholesaler may sell merchandise which s/he owns.

[(11)](12) Universal Numeric Codes on Invoices. The Universal Numeric Code for Alcoholic Beverages and Missouri's brand number is to be used to code all wines on all invoices written by any manufacturer, vintner, solicitor, and/or wholesaler licensed by the Division of Alcohol and Tobacco Control of Missouri; this includes invoices written by wholesalers to retail licensee. In addition, the descriptive data for **spirituous** liquors and wines includes the age or vintage, proof or percent of alcohol by weight, class and type, and brand name. Missouri wholesalers are to include brand name, age, and proof for spirituous liquors and vintage for wines on all invoices to retailers when the vintage creates a cost differential for the same type of wine. Any failure of any person, firm, or corporation licensed under any provisions of Chapter 311, RSMo, to comply in all respects with the rules and any violation by any licensee of these rules may be deemed to be cause for the revocation or suspension of the license of the offending licensee.

13 CSR 70-3.320 Electronic Visit Verification (EVV). The division is amending sections (1), (2), and (3).

PURPOSE: This amendment clarifies the requirement to identify direct care workers through entry of the caregiver's respective Family Care Safety Registrant number. This amendment also specifies that the type of service performed is identified through the collection of designated procedure codes and associated modifiers.

(1) Definitions.

(L) "Services" shall mean all Medicaid-funded services, as **identified by procedure code**, or other service required by the state to use EVV including:

1. Advanced Personal Care;
2. Chore Services;
3. Consumer-Directed/Self-Directed Personal Care;
4. Homemaker Services;
5. In-Home Respite authorized by the Department of Health and Senior Services;
6. Personal Care;
7. Any of the above services reimbursed by a managed care organization; and
8. Any services where federal or state statute or rule requires EVV, but not specifically listed above.

(2) Provider Agency Responsibilities regarding Electronic Visit Verification.

(B) Provider agencies and self-directed fiscal agents who deliver or administer services through Medicaid funding shall utilize EVV **and shall use the procedure code and associated modifiers** for all visits. EVV requirements are applicable to services authorized through the Department of Health and Senior Services and the Department of Mental Health.

(F) Provider agencies shall identify all direct care workers by entering the caregiver's respective Family Care Safety Registrant number as assigned per 19 CSR 30-80.

[(F)](G) Manual visit entry shall be utilized only when the EVV system is unavailable or when exigent circumstances, documented by the provider agency, make usage of the system impossible or impractical. Justification documentation must support any instance of

human error and such errors must be readily identifiable. Repeated instances of human error are subject to audit. The provider agency shall enter justification documentation into the EVV system, which may include an editor program. Information shall include the date and time of the manual entry, the reason for the entry, and the identification of the person making the entry. The provider agency must pass a manual entry indicator and reason for manual entry to the aggregator solution within documentation timeframes established by the MO Medicaid Audit and Compliance Unit.

Information must include the date and time of the entry and/or update, the reason for the entry and/or update, and the identification of the person making the entry and/or update.

[(H)](I) Provider agencies shall report any suspected falsification of EVV data to the Missouri Medicaid Audit and Compliance Unit via the standard reporting process as defined by the Missouri Medicaid Audit and Compliance Unit within two (2) business days of discovery.

[(I)](J) All provider agencies must interface EVV data with an aggregator solution designated by the Department of Social Services (DSS) in a format and at a frequency specified by DSS.

(3) Electronic Visit Verification Vendor Responsibilities upon Implementation of an Aggregator Solution.

(L) At a minimum, the EVV system shall meet the following requirements:

1. Record the type of service performed **through collection of the designated procedure code and associated modifiers**, including individual tasks as authorized or progress notes dependent on requirements of the authorizing program;
2. Document and verify the MO HealthNet participant's identity, either by a unique number assigned to the MO HealthNet participant, biometric recognition, or through alternative technology;
3. Document and verify the direct care worker by *[the assignment of a personal identification number unique to the direct care worker or through alternative technology]* **the collection of the Family Care Safety Registrant number as assigned per 19 CSR 30-80;**
4. Document the date of services delivered;
5. Document the time services begin to the minute;
6. Document the time services end to the minute; and
7. Document the location in which the services began and ended.

AUTHORITY: sections 208.201 and 660.017, RSMo 2016. Original rule filed July 9, 2020, effective Jan. 30, 2021. Amended: Filed May 23, 2022.

PUBLIC COST: This proposed amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

PRIVATE COST: This proposed amendment will cost private entities between zero dollars (\$0) and ten thousand dollars (\$10,000). There is a wide range of capability among EVV vendors.
